

PROFESSIONAL JOURNALS AVAILABLE FROM THE MEDIA CENTER AT GRANT WOOD AEA 2010-2011

The Media Center maintains a small collection of journals that are available for circulation. Titles that are in **bold** are those we currently subscribe to. Information in the First Issue column indicates the dates for the first issue that is available.

If there is a date in the Last Issue column, we are no longer subscribing to the journal and the date in this column is the date of the last issue.

In the Volume and Number column is the volume of the first issue we have. If the journal title is not in bold

there will be an ending date of the last issue (i.e. – volume 29 number 2 – volume 31 – number 1)

In addition to these titles, all schools in the Grant Wood AEA service area have access to EBSCOhost, which provides full-text coverage of hundreds of professional journals. For questions on EBSCOhost, contact Deborah Crane at 319-399-6455 or 800-332-8488, ext. 6455. For questions on these journals, contact Lisa Becker at 319-399-6736 or 800-332-8488, ext. 6736.
